New Orleans Funk Band

"A unique and authentic experience"

"The cure for the common cover band"

Second Line brings a taste of the bayou through their blend of Swamp Funk influenced by the music of New Orleans. The band has a loyal following that thrive on the energy and party vibe that emanates from the stage. New Orleans Funk is filled with infectious grooves thick as gumbo and nourishing as a barbecue shrimp po-boy.

Mardi Gras and masquerade parties, weddings, & winery events. Second Line will liven things up when they bring their infectious energy and funky good times to the party!
